

Optional Summer Practice for Fourth Grade

READING:

Read! Read! Read! Consider participating in your local library's summer reading program. Please read at least two books on your reading level. Two great book lists include:

MATH:

Please practice your multiplication and division facts. You can use flash cards or play online games. Here are a few websites to try:

WRITING:

Write a letter to your future fourth grade teacher telling all about yourself. Be sure to include what you enjoy doing in your spare time, special interests, family activities, something special in which you excel, and any other information you would like to share.
