

Traffic Flow

1. To assist with the traffic flow during arrival and dismissal, please follow the directions indicated below.
2. There will be no left turns into the carpool lane during arrival or dismissal.
3. If you are traveling via W. Wesley Road, make a left or right turn onto Wesley Parkway NW. You will then make a right turn on Parkwood and join the carpool line.
4. If you are traveling on Moores Mill Road, you will make a right or left turn onto Margaret Mitchell Drive. As you approach the school, slow down so you can join the carpool line.
5. We will have officers that will direct traffic from the carpool lines. The officers will allow cars to enter the carpool lane alternating between Margaret Mitchell Drive and Parkwood.
6. Please be patient as we work through these first few weeks of face to face instruction.

 **Entering from Margaret Mitchell is only allowed during morning carpool.**
